RECITALS

InnovateCorp is engaged in the development of proprietary technology related to artificial intelligence and machine learning. In connection with a potential business relationship (the "Purpose"), InnovateCorp may disclose certain confidential, proprietary, or trade secret information to the Recipient. This Agreement is intended to protect such information from unauthorized use or disclosure.

AGREEMENT

1. Definition of Confidential Information. For the purposes of this Agreement, "Confidential Information" shall mean any and all information, data, or know-how, whether tangible or intangible, and in whatever form or medium, disclosed by InnovateCorp to the Recipient, including but not limited to: business plans, financial information, customer lists, marketing strategies, software (source code and object code), algorithms, trade secrets, and any ideas, concepts, or improvements, whether or not related to the Purpose. Confidential Information shall also include any information which is or becomes publicly known through no fault of the Recipient, as well as any information independently developed by the Recipient without reference to InnovateCorp's disclosures.

2. Obligations of Recipient. The Recipient shall hold all Confidential Information in the strictest confidence and shall not disclose, publish, or disseminate it to any third party. The Recipient shall use the Confidential Information solely for the Purpose and for no other reason. The Recipient agrees that any idea, innovation, or business concept conceived by the Recipient during the term of this agreement that relates in any way to InnovateCorp's current or potential business shall be the sole and exclusive property of InnovateCorp.

3. Term and Termination. The obligations of this Agreement shall commence on the Effective Date and shall continue in perpetuity. The duty to protect Confidential Information shall survive the termination of any business relationship between the Parties and shall never expire.

4. No Residuals. Recipient agrees that it shall not use or incorporate into its own products or services any "residuals" of the Confidential Information. "Residuals" means any Confidential Information retained in the unaided memory of the Recipient's employees

or agents who have had access to the Confidential Information. An individual's memory is unaided if they have not intentionally memorized the information for the purpose of retaining and subsequently using or disclosing it.

5. Liquidated Damages. The Parties agree that any breach of this Agreement will cause irreparable harm to InnovateCorp, for which monetary damages would be inadequate. The Recipient therefore agrees that in the event of any breach or threatened breach of this Agreement, InnovateCorp shall be entitled to a sum of One Million US Dollars (\$1,000,000.00) per occurrence as a reasonable estimate of the damages, not as a penalty.

6. Return of Information. Upon written request from InnovateCorp, the Recipient shall promptly return or, at InnovateCorp's discretion, destroy all documents, materials, and other tangible items containing or representing Confidential Information, and all copies thereof.

7. No Warranty. All Confidential Information is provided "AS IS." InnovateCorp makes no warranties, express, implied, or otherwise, regarding its accuracy, completeness, or performance.

8. Governing Law and Jurisdiction. This Agreement shall be governed by and construed in accordance with the laws of the Cayman Islands, without regard to its conflict of laws principles. Any legal action or proceeding arising under this Agreement will be brought exclusively in the courts located in the Cayman Islands, and the Parties hereby irrevocably consent to the personal jurisdiction and venue therein.

9. Assignment. InnovateCorp may freely assign or transfer any of its rights or obligations under this Agreement without the prior written consent of the Recipient. The Recipient may not assign or transfer any of its rights or obligations under this Agreement without the prior written consent of InnovateCorp.

10. Entire Agreement. This Agreement constitutes the entire understanding between the Parties concerning the subject matter hereof and supersedes all prior discussions, negotiations, and agreements, whether oral or written.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the Effective Date.
